

Revised 7/29/09 Round Table Discussions

| Opportunities to Gather With Each Other | Comments |
|--|--|
| Get together monthly with church-wide informal suppers organized by Parish Life committee, or persons, couples, and/or groups | This is perceived to not be a widely held desire. There is also concern that a monthly dinner would impact Foyers adversely. Not planning to implement this at this time. |
| Chili and Games Night | Many think we have a full social calendar. No action currently planned. |
| Movies and Popcorn Night | Same as above |
| Host barbeques | Same as above |
| Foyers—not just for married couples, increase awareness of Foyer groups for those who are single—for example, singles can team up to host a Foyers group | The intent is to grow Foyers groups. This has not been happening, however, it is perceived that those in Foyers would not want to give up Foyers for more church wide dinners. |
| Foyers—convene groups every six months rather than one a year | Done |
| Foyers—limit size to 8-10 max (Dinners for Eight) | That is the way it starts. Sometimes the choice is to expand the size or exclude someone. Then the choice is to include. |
| Add guided retreats | Sounds like a good idea. Is anyone interested in organizing this? |
| More Bible studies/EFM at a time other than Sunday School | EFM is meeting Tuesday mornings, and two Enquirer classes have been held since our round table meetings. |
